Getting Accredited Veterinarians (AV) in Veterinary Export Health Certification System (VEHCS)
https://pcit.aphis.usda.gov/pcit/

Step 1 – Registering for Access

Explanation	Supporting Document/Link
Read the VEHCS Quick Reference Guide on how to get started	https://pcit-training.aphis.usda.gov/PCIT_Initial_Access_Guide.pdf (Accessing PCIT or VEHCS for the First Time)
You will need a Level 1 USDA eAuthentication account before you can access Veterinary Export Health Certification System (VEHCS).	https://identitymanager.eems.usda.gov/registration/index.aspx

Step 2 – Accessing VEHCS

Explanation	Supporting Document/Link
VEHCS groups various users (accredited veterinarians [AV], veterinary support staff, exporters) into groups called "Organizations". You must create an organization or join an existing organization.	https://pcit-training.aphis.usda.gov/VEHCSHelp/VEHCS_Manage_Account_AV_Organization.pdf (Manage Account for Accredited Veterinarians/AV Users)

Step 3 – Creating and Submitting Health Certificates

Explanation	Supporting Document/Link
This PowerPoint explains how to create and submit a health certificate in VEHCS.	https://pcit-training.aphis.usda.gov/VEHCSHelp/VEHCS_Accredited_Veterinarian_Information.pdf (How to Utilize VEHCS – For Exporters, Accredited Veterinarians and AV Support Staff)
This document explains how to submit a fillable PDF health certificate in VEHCS.	https://pcit-training.aphis.usda.gov/VEHCSHelp/AV_Health_Certificate_Upload.pdf (Accredited Veterinarian Health Certificate Upload)
