Finding Amended or Renewed PPQ 587 Permits

The steps below illustrate **how to find your amended or renewed permit** once it has been issued. Access APHIS eFile at <u>efile.aphis.usda.gov/s/</u>.

When searching for your amended or renewed **permits in ACE**, **search using the original permit number** and **do not include any additional characters**, such as A1, R1, in your ACE search. Access ACE at <u>ace.cbp.dhs.gov/</u>.

Step 1: Navigate to the My Activity page

- Log into APHIS eFile at efile.aphis.usda.gov/s/.
- On your Homepage, select the My Activity tab.

Step 2: Search for your original APHIS Permit Number

Type in your original APHIS permit number using the search bar.

- To find your amended permit, add a "A" at the end of the number (i.e.556-20-201-0015A1)
- To find your renewed permit, add "R" at the end of the number (i.e.556-20-201-0015R1)

Q 556-21-36-00031A1

Note: do not include the "A" or "R" in an ACE permit search

For assistance, please call or email PPQ Permit Services at (301) 851-2046 or plantproducts.permit@usda.gov
