2022-APHIS-05058-F	Blanchard, Meredith	National Anti-Vivisection Society	Each USDA-registered research facility and Federal research facility is required by the Animal Welfare Act (AWA) to submit an Annual Report (APHIS Form 7023) that documents its use of animals for research, testing, teaching, experimentation, and/or surgery. USDA-APHIS Animal Care receives copy of each research facility's annual report on or before December 1. Historically, APHIS has collected this information and shared it with the public in the form of a yearly report titled "Animal Usage Summary by Research Facilities, by Year." The latest annual report is from 2019. NAVS requests a copy of the report titled "Animal Usage Summary by Research Facilities, by Year" for the years 2020 and 2021. We request full details typically included in the report, including how many of each reportable animal were used in Categories B, C, D, E and F. Thank you.
