

NAME _____

Difficulty Level: **MEDIUM**

Biosecurity Word Search

Biosecurity means doing everything you can to protect your birds from disease.

- Buy chicks and birds from a reputable, NPIP-certified hatchery.
- Separate new birds or birds that have been to a fair/exhibit from your other birds for 30 days.
- Do not share equipment with other poultry owners.
- Take measures to keep wild birds away from your flock.

Find the words listed below. Words may appear going up, down, across, diagonal, or even backwards.
