

Health Certificate for the Export of Raw Inedible Animal Products and By-Products to Canada

UNITED STATES

Export Certificate

Part I : Details of dispatched consignment	I.1. Consignor Name Address Country		I.2. Certificate reference number	I.2.a.	
			I.3. Central competent authority		
			I.4. Local competent authority		
	I.5. Consignee Name Address Country		I.6.		
	I.7. Country of origin United States	ISO code US	I.8. Region of origin		I.9. Country of destination Canada
				ISO code CA	I.10. Region of destination
	I.11. Place of origin Name Address Approval number		I.12.		
	I.13. Place of loading		I.14. Date and time of departure		
	I.15. Means of transport Aeroplane <input type="checkbox"/> Ship <input type="checkbox"/> Railway wagon <input type="checkbox"/> Road vehicle <input type="checkbox"/> Other <input type="checkbox"/> Identification Number(s)		I.16. Entry Point		
			I.17.		
I.18. Temperature of products Ambient <input type="checkbox"/> Chilled <input type="checkbox"/> Frozen <input type="checkbox"/>		I.19. Total Gross Weight		I.20. Total number of packages	
I.21. Seal/Container number					
I.22. End use of the imported animal products or by-products 1. Directly to a manufacturer of: 1.1. Pet food (dog, cat, ferret, other companion animal) <input type="checkbox"/> 1.2. Food for fur species <input type="checkbox"/> 1.3. Food for other species (please specify): _____ <input type="checkbox"/> 2. Pharmaceutical or Cosmetic Manufacture <input type="checkbox"/> 3. Technical or other use <input type="checkbox"/> 4. Directly to a rendering plant holding a permit issued by CFIA <input type="checkbox"/>					
I.23. Transit through 3 rd country			I.24. For export <input type="checkbox"/>		
I.25. Identification of the commodities Customs code and title Species of origin Product description Date of production Type of packaging					

UNITED STATES**Inedible animal products and by-products**

II. Health information	II.a. Certificate reference No	II.b.								
<p>I, the undersigned official veterinarian of the U.S. Department of Agriculture after due inquiry and to the best of my knowledge, do hereby certify that the inedible animal products or by-products described above:</p> <ol style="list-style-type: none">1) Were derived from animals slaughtered in the United States.2) Were not derived from regions or zones currently recognized by CFIA as affected by diseases of concern with the species of origin¹3) The products or by-products covered by this certificate were not derived from animals slaughtered as part of a disease eradication program.4) For products derived from swine, the animals from which the products were derived originate from commercial herds, which are considered as free of Aujeszky's Disease.5) Bovinae² animals from which the products or by-products were derived were not stunned before slaughtering by means of injecting compressed air or gas into the cranial cavity, or by pithing;6) Products or by-products were obtained from the carcasses of animals that were subjected to and passed ante-mortem inspection and were subjected to post-mortem inspection in a slaughterhouse supervised by the USDA-FSIS;7) The animal products or by-products covered by this certificate do not contain any of the following tissues of any bovine² animals: the skull, brain, trigeminal ganglia, eyes, palatine tonsils, spinal cord and dorsal root ganglia of bovine² animals aged 30 months or older; and the distal ileum of bovine² animals of all ages8) The raw inedible products will be transported in a manner intended to prevent contamination and/or leakage of the products;9) The raw inedible products or by-products have not been exposed to or comingled with any animal-origin materials that do not meet the requirements of this certificate;10) Shipping containers and all accompanying documentation are marked with the words "INEDIBLE" AND:<ol style="list-style-type: none">a) The name of the animal species for which the product/by-product is intended and the words "Food" or "Aliments pour." ORb) The word "CONDEMNED" ORc) "For medicinal purposes" or "for pharmaceutical purposes"11) The products or by-products have either:<ol style="list-style-type: none">a) been denatured ORb) have NOT been denatured as the nature of the commodity is not likely to be mistaken for an edible product <p>¹ Diseases of concern for Canada for animal products & by-products covered by this certificate are:</p> <ul style="list-style-type: none">• For avian species including poultry: Highly Pathogenic Avian Influenza, Newcastle disease• For ruminants: Contagious bovine pleuropneumonia; Foot-and-mouth disease (FMD); Lumpy skin disease; Peste des petits ruminants; Rift valley fever and Sheep pox and goat pox;• For swine: African swine fever; Classical swine fever (Hog cholera); Foot and Mouth Disease; Swine vesicular disease;• For Horses & other equids: African horse sickness and• For lagomorphs (Commercially reared): rabbit viral haemorrhagic disease and myxomatosis <p>² The term 'bovine' refers to animals of the sub-family <i>Bovinae</i> (including cattle, bison, and buffalo) for the purposes of this certificate.</p>
