

Samples intended for Research or Diagnostics

Denmark does not require government certification for research and diagnostic samples.

The Danish importer must obtain an import permit.

For more information on obtaining import permit, the Danish importer may contact:

The Danish Veterinary and Food Administration

Head Office

Stationsparken 31-33

DK 2600 Glostrup

Tel. +45 72 27 69 00

Fax +45 72 27 65 01
