

Game Trophies of Animals other than Ungulates or Birds

Denmark does not require animal health certification for partially treated or untreated game trophies of animals other than ungulates or birds.

However, the Danish importer must obtain an import permit which will detail the requirements.

For more information on obtaining import permit, the Danish importer may contact:

The Danish Veterinary and Food Administration
Head Office
Stationsparken 31-33
DK 2600 Glostrup
Tel. +45 72 27 69 00
Fax +45 72 27 65 01
<http://www.foedevarestyrelsen.dk/english/Contact/Pages/default.aspx>

For information on the requirements for game trophies of ungulates or birds, please go to the [European Union](#) page of this website.

Note: The contents of this document do not address CITES (Convention on International Trade in Endangered Species of Wild Fauna and Flora) requirements. If CITES documentation is required, U.S. exporters should contact the [U.S. Fish & Wildlife Service](#).
