2021-APHIS-01146-F	Jackson, Kiana	-	12/7/2020	1/7/2021	Jack Donald Lewis (AKA Don Lewis, Bob Martin, Bob Martinez,) HEALTH CERTIFICATE and associated documentation (any vet info, owners personal info, pets info, exporter/importer, proof of purchase, customs bill, quarantine permit, and VS 18-I form) for a small domestic cat moving between the US and Costa Rica between 1994-1999. I understand regulations may have changed between now and the time period requested, so am hoping to find all of the necessary paperwork associated with this animal's movements (or what's available). Are there records of what was needed to transport various animals at that time that I could request as well? (Date Range for Record Search: From 01/01/1994 To 12/31/1999)

2021-APHIS-01356-F	Boman, Kenneth	individual	12/18/2020	1/21/2021	My name is Kenneth Boman and I'm going through a divorce where I need to get information for the courts that my wife is failing to provide. Her business the Rabbit Hill shipped rabbits all over the world, but mostly in Asia. She got the shipments certified from the USDA south San Francisco office and the Sacramento office. From the forms I have found she shipped them with her name Christina Topf or Christina Boman. It wouldn't surprise me if her employees shipped them under their name too. Addresses used: 45 Buena Vista Benicia, CA 94510 or 1139 West K Street Benicia CA 94510. Employee names: (b) (6) (b) (6) This information is vital for the case and is to help my two little ones, who are 7 and 9. I would appreciate copies of all certificates for interstate or international movement of small animals as far back as you can go. I requested a fee waiver because my wife has not paid child support or spousal support for the last 6 months.
