## Part II. Certification

## **Animal Health**

I, the undersigned official veterinarian, declare that I have read and understood the requirements of the relevant GB regulations and certify that:

#### **AH/T113 Territory requirements**

the country of origin or, in case of regionalisation according to the GB Regulations, the region of origin, has been free from African swine fever for at least 12 months;

#### AH/E410 Establishment requirements

the pig bristles described above have been obtained from pigs originating, and slaughtered in a slaughterhouse, in the country of origin;

# AH/A700 Animal requirements

the pigs, from which the pig bristles have been obtained, did not show during inspection, carried out at the time of slaughtering, signs of diseases communicable to humans or animals and were not killed to eradicate any epizootic disease;

#### **AH/P518 Product requirements**

the pig bristles are dry and securely enclosed in packaging;
