

### **Rendered poultry/pork products for Animal Consumption**

Ghana's Ministry of Food and Agriculture has agreed to accept the blank VS Form 16-4 Export Certificate for Animal Products with no comments under Additional Declarations for importation of rendered poultry and pork products. The only statement that should appear on this certificate is the declaration regarding the animal health status of the United States.

Exporters should continue to have their importers confirm BEFORE shipment that the consignment will be allowed entry with only this documentation accompanying the consignment.
