2026-APHIS-05670-F	Kepnes, Rachel	Beagle Lovers and Rescuers INC	Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I respectfully request copies of all records maintained by the USDA Animal and Plant Health Inspection Service (APHIS) relating to Marshall BioResources, Marshall Farms Group, and any affiliated entities for the past eight (8) months. Specifically, I request the following records: All inspection reports, site assessments, compliance inspections, facility evaluations, and investigative records concerning the beagle housing buildings, kennels, sheds, or other animal housing areas. All field notes, inspection notes, photographs, videos, audio recordings, drone footage, and any other visual documentation taken during inspections or site visits. Any records documenting inspections, testing, or observations related to: Mold or moisture intrusion; Parasites, pests, or vermin; Sanitation and animal waste; Ventilation or air quality; Water quality; Structural conditions of the animal housing; Any other conditions affecting animal welfare. Any notices of noncompliance, warning letters, corrective action requests, enforcement records, or follow-up inspection reports. Any correspondence between USDA APHIS and Marshall BioResources, Marshall Farms Group, or any federal, state, or local agency regarding inspection findings, animal welfare concerns, facility conditions, or corrective actions. Any records showing the current or historical number of dogs housed at the facility during the past eight months, including animal census reports, inventory reports, annual reports, transfers, shipments, acquisitions, dispositions, or other records reflecting changes in the dog population. Any records identifying where dogs were transferred or shipped during the past eight months, including Certificates of Veterinary Inspection (CVIs), transfer records, shipping records, or other disposition records maintained by APHIS. Any records identifying the USDA APHIS inspectors assigned to inspect the facility during the past eight months, including inspection schedules, assignment records, staffing records, time spent on-site during inspections (to the extent maintained), and records showing whether additional inspectors participated in inspections. Any photographs or videos of the animals, kennels, sheds, housing conditions, or other areas of the facility taken during inspections. This request is made in light of significant public interest regarding the care and housing of animals at this facility. The requested records will help the public better understand USDA APHIS's inspection activities, the conditions observed during inspections, changes in the facility's animal population, and the agency's oversight of this licensed facility. For purposes of this request, the term "records" includes emails, letters, memoranda, reports, handwritten notes, electronic files, photographs, videos, audio recordings, maps, spreadsheets, and all attachments. 2026-APHIS-05830-F	Davis, Jarrod	Tails of the Wild	Requesting all records that formed the basis of USDA's investigation, inspection findings, appeal determination, and subsequent Official Warnings pertaining to Animal Care Case Number FL260137. My original request appears to have been interpreted as a request for USDA's response documents. While I would like those records as well, my principal request is for the information that USDA received and relied upon in initiating and developing this case. Accordingly, I respectfully request copies of all records relating to Case FL260137, including but not limited to: 1. Original Complaint Materials: The original complaint submitted to USDA; Every version of the complaint received by USDA; Any amendments, supplements, or follow-up statements submitted by the complainant; All attachments accompanying the complaint. 2. Communications from the Complainant: All emails submitted by or on behalf of the complainant; All text messages provided to USDA, including the complete conversations before and after any excerpts relied upon during the investigation; Any photographs, videos, audio recordings, screenshots, or other media submitted by the complainant; Any documents or records supplied by the complainant. 3. USDA Inspectors Records: Inspector field notes; Handwritten notes; Typed notes; Chronological case notes; Inspection worksheets; Internal memoranda; Draft inspection reports; Any edits or revisions made to inspection reports; Supervisor review comments; Recommendations regarding inspection findings; Recommendations concerning the appeal; Recommendations concerning issuance of the Official Warning. 4 Internal USDA Communications: Emails; Microsoft Teams messages or chats; Internal memoranda; Communications between inspectors; Communications between inspectors and supervisors; Communications involving Dr. Price; Communications involving Bernadette Juarez; Communications involving Dr. Louis DiVincenti; Any communications discussing whether the citation should remain after my appeal; Any communication discussing my April 19, 2026 Titan Timeline and Report; Any communication discussing my written appeal. 5. Interview Documentation Notes from interviews conducted with facility personnel; Notes from the Teams meeting held following the inspection; Any documents reflecting inspector recollections or summaries of verbal conversations. 6. Evidence Considered Every document relied upon in determining that Citation 3.133 should be issued; Every document relied upon in denying my appeal; Every document relied upon in issuing Official Warning FL260137; Any veterinary information reviewed; Any photographs or videos relied upon; Any witness statements. 7. Administrative Record Please provide the complete administrative record for Case FL260137, including all documents maintained in USDA's possession relating to this matter, whether generated internally or received from outside sources. If any records are withheld, either in whole or in part, please: Identify each withheld document; provide the date of the document; identify the author and recipient(s), where possible; describe the nature of the document; and identify the specific FOIA exemption(s), where possible; If portions of a document are exempt, I request that all reasonably segregable, non-exempt portions be released.	07/13/2026

2026-APHIS-05932-F	Nash, Andrew	Phelps Dunbar LLP	Please send us a certified copy of all photographs, video recordings, reports, notes, intra-agency correspondence, inter-agency correspondence, and external correspondence related to an alleged infestation of pests into wood packaging material, discovered in Houston, Texas and covered by US Customs & Border Patrol ("CBP") Emergency Action Notices numbered 753413 and 755161. More specifically we seek documents, records, investigative materials, and correspondence concerning these EANs authored by any USDA employee and all communications between the USDA and CBP regarding the same. We also request all correspondence, photographs, analysis, and reports concerning the above-referenced EANs. We agree to pay reasonable search and duplication fees in connection with this request. If you estimate that these fees will exceed five hundred dollars (\$500.00), please notify us in advance at (b) (6) so that we may consider authorization of a greater amount. Thank you for your assistance and we look forward to receiving your reply. (Date Range for Record Search: From 06/06/2026 To 07/17/2026)	07/17/2026

2026-APHIS-05933-F	Brown, Stephen	-	Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I request copies of the following records maintained by APHIS Veterinary Services, including any records held in the Veterinary Services Process Streamlining (VSPS) electronic Certificate of Veterinary Inspection (eCVI) system or any successor system: All Certificates of Veterinary Inspection (CVI) or electronic Certificates of Veterinary Inspection (eCVI) documenting interstate shipment of dogs (Canis familiaris) from Marshall BioResources / Marshall Farms Group, North Rose, NY (APHIS Breeder/Dealer License No. 21-A-0008; APHIS Carrier Registration No. 21-T-0095; Current APHIS Registration No. 21-R-0242), with a destination of any Charles River Laboratories facility operating under APHIS Certificate No. 14-R-0144, including but not limited to: Site 027 — Charles River Laboratories, 55 Union Street, Worcester, Massachusetts (OLAW/PHS Assurance No. D16-00852, A4645-01) (OLAW/PHS Assurance #: D16-00852 (A4645-01)) Site 022 — Charles River Laboratories, Shrewsbury, Massachusetts (OLAW/PHS Assurance No. D16-00496, A3863-01) for the period January 1, 2024 to present. If records cannot be filtered by consignee within the VSPS or successor system, I request all CVI/eCVI records showing Marshall BioResources / Marshall Farms Group as shipper of dogs to any Massachusetts destination for the same period, and I will identify the relevant records myself. Any metadata, audit logs, or transmission records associated with the above CVIs/eCVIs that would indicate the issuing accredited veterinarian, date of issuance, and receiving state animal health office, to the extent such metadata is itself a maintained record subject to this request. To the extent CVI/eCVI records for this shipper-consignee pair are not centrally retained by APHIS Veterinary Services but are instead retained only by a state animal health office upon receipt, please identify which state office(s) received these transmissions so that I may direct a supplemental request accordingly. If any portion of this request is denied, please cite the specific FOIA exemption(s) relied upon for each redaction or withholding, and release all reasonably segregable non-exempt portions of responsive records, as required by law. I request a fee waiver, as this request is made in the public interest and is likely to contribute significantly to public understanding of the operations of government relating to animal welfare oversight of interstate research-animal transport, and is not sought for commercial purposes. I am an individual, unaffiliated with any commercial entity, engaged in public-interest research and advocacy regarding compliance with the Animal Welfare Act.	07/17/2026
2026-APHIS-05945-F	Kepnes, Rachel	Beagle Lovers and Rescuers INC	Pursuant to the Freedom of Information Act (5 U.S.C. §552), I am requesting copies of all records in the possession of the Animal and Plant Health Inspection Service (APHIS) relating to laboratory dog breeding facilities and shipments of beagle dogs into or within the United States for research purposes, specifically relating to Marshall BioResources and any affiliated facilities or subsidiaries. This request is submitted on behalf of Beagle Lovers and Rescuers Inc., a nonprofit organization dedicated to public transparency, research accountability, and awareness regarding the commercial breeding and sale of dogs for laboratory research. I am requesting records from January 1, 2026 to July 19th 2026, including, but not limited to, the following categories of information: Inspection reports conducted at any Marshall BioResources facility, Marshall Farms Group Ltd., or affiliated laboratories; Records of USDA violations, enforcement actions, or citations issued to these facilities; Animal welfare complaints submitted to APHIS regarding beagle breeding, handling, or transport; Certificates of Veterinary Inspection, import permits, transport approvals, or veterinary documentation associated with the movement of laboratory dogs; Correspondence between APHIS and laboratories, contract research organizations, or commercial breeders supplying dogs for research; Licensing, registration, or accreditation records for laboratory dog breeders, including any temporary permits or variances issued; This request encompasses all records referencing Marshall BioResources or affiliated entities in APHIS databases, including Animal Care inspection reports, compliance records, and any associated communications, photographs, or documentation regarding laboratory beagle shipments or welfare concerns. I request that these records be provided in electronic format (PDF) via email, if available. If any portion of the requested records is withheld or redacted, I request that APHIS provide the non-exempt portions and cite the specific statutory or regulatory basis for any denial or redaction as required under FOIA. Because this request is made for public interest, investigative research, and nonprofit advocacy purposes, I respectfully request a waiver of all fees associated with this request. Please notify me in advance if the estimated costs exceed \$50 before processing. Thank you for your attention to this request. I look forward to your response within the time frame required under the Freedom of Information Act. Sincerely, Rachel Kepnes?Outreach Coordinator?Beagle Lovers and Rescuers Inc. 2026-APHIS-05947-F	Kepnes, Rachel	Beagle Lovers and Rescuers INC	Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of all records in the possession of the USDA Animal and Plant Health Inspection Service (APHIS) relating to the AAALAC International accreditation status of Marshall Farms Group, Ltd. (also known as Marshall BioResources), located in North Rose, New York. Specifically, I request: 1 All records, correspondence, or documents confirming whether Marshall Farms Group / Marshall BioResources is currently accredited by AAALAC International. 2 Any USDA records or communications (emails, memos, reports, inspection notes) that reference Marshall Farms' AAALAC accreditation status from January 1, 2026 to 7/19/2026 3 Any documents used by USDA APHIS to determine inspection frequency or oversight of Marshall Farms Group / Marshall BioResources based on its AAALAC accreditation. I request that all fees be waived, as this request is made in the public interest and will contribute significantly to public understanding of government oversight of animal breeding and research facilities. Please provide the requested records in electronic format (PDF preferred) by email if possible. If you determine that portions of the material are exempt, please provide the non-exempt portions and cite the specific FOIA exemptions applied to any withheld information. Thank you for your assistance. I look forward to your response within the statutory 20 business days. 2026-APHIS-05939-F	Davidson, Colleen	-	Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I request the following records held by APHIS Wildlife Services concerning deer management operations conducted for Baltimore City, Maryland in 2026 (Druid Hill Park, Gwynns Falls/Leakin Park, and Herring Run Park; operations conducted March–April 2026 under Wildlife Services permit/project no. 59474; MD/DE/DC district office, Annapolis, MD; district supervisor Ronald Scott Healey): 1. All task orders, work orders, or delivery orders issued under contract no. 12639525D0013 (contractor: (b) (6), MD) relating to Baltimore City operations, January 1 – June 30, 2026. 2. All invoices submitted by (b) (6) under contract no. 12639525D0013 for services performed March 1 – June 30, 2026. 3. All invoices, purchase orders, payment records, or agreements involving (b) (3) (A) or (b) (3) (A) in connection with Baltimore City deer management operations, January 1 – June 30, 2026, including government purchase card (credit card) transaction records reflecting processing fee payments to either establishment, consistent with the payment method described in the January 9, 2026 letter from District Supervisor Ronald Scott Healey to the Maryland DNR Permits Coordinator. 4. Harvest, take, or removal reports for the Baltimore City 2026 operations, including totals by site (Druid Hill Park, Gwynns Falls/Leakin Park, Herring Run Park), March 1 – April 30, 2026. 5. Any transfer manifests, delivery receipts, or records documenting the quantity (pounds or packages) of venison transferred to the Maryland Food Bank or any other recipient from the Baltimore City 2026 operations. 6. The final program report, outcome summary, or after-action report provided to Baltimore City or the Baltimore City Department of Recreation and Parks concerning the 2026 operations. 7. Correspondence between the APHIS Wildlife Services MD/DE/DC district office and Baltimore City or BCRP concerning carcass disposition, processing, or donation, March 1 – June 30, 2026. 8. Records identifying the ammunition type used in the Baltimore City 2026 operations, and any protocols or testing records concerning lead fragment screening of venison designated for human consumption from those operations. Format: Please provide records electronically. I request rolling production. Please release records as they become available rather than withholding all records pending full completion. Fee waiver request: I request a waiver of fees under 5 U.S.C. § 552(a)(4)(A)(iii). Disclosure is in the public interest because it is likely to contribute significantly to public understanding of the operations of government, specifically, the outcomes of a publicly funded (\$110,442) wildlife management program for which no harvest totals or donation quantities have been publicly reported, and for which Baltimore City has stated in a Public Information Act response that it holds no responsive outcome records. I intend to disseminate the information obtained. Disclosure is not primarily in my commercial interest; I have no commercial interest in these records. If the fee waiver is denied in whole or in part, I agree to pay fees up to \$25 and ask to be contacted before any fees above that amount are incurred. If any records are withheld in whole or in part, please identify each . . . The description has exceeded the character limit.	07/20/2026

2026-APHIS-06099-F	McCready, Andrea	-	Requesting all records in possession of USDA APHIS Wildlife Services relating to Canada goose depredation operation conducted on or about June 23, 2026, at or near Lincoln Lake Town of Lincoln, Polk County, Wisconsin (WBIC 2622400), located near 896 68th Ave, County Road F, Amery, WI 54001. Records Requested: 1. Depredation permit or authorization and its justification Any records identifying whether USDA Wildlife Service acted under its own depredation order or authorization for this operation, or under a permit issued by the U.S. Fish and Wildlife Service including, if the latter, any record of that permit. The depredation permit or authorization authorizing the June 23, 2026, Canada goose removal operation at or near Lincoln Lake, Polk County, Wisconsin. The complete terms of the permit authorization, including the species authorized for removal, the authorized method(s) of take, the quantity or number of animals authorized, and the authorized date range or timeframe for the operation. The permit application or request submitted by or on behalf of the Amery School District or any other party including the complete written justification statement of need, or basis provided for the removal. The cooperative service agreement, if any, between USDA Wildlife Services and the Amery School District, the City of Amery, or any other party, governing the general working relationship under which this operation was conducted separate from and in addition to any operation specific authorization. Any records showing the criteria, threshold, or standard used to evaluate the application, including any size, population, or damage threshold applied. Any conditions, restrictions, or geographic boundaries specified in the permit or authorization. The name and contact information of the permit or authorization holder. Note: we have received conflicting information as to whether the City of Amery or the Amery School District held or applied for the depredation permit or authorization for this specific operation. We are requesting the permit or authorization itself, and the name of the actual holder. 2. Pre-operation site verification Any records of a site inspection, survey, or independent verification of Lincoln Lake's conditions, goose population, or damage claims conducted by USDA prior to the June 23, 2026, operation separate from and prior to reliance on the permit or authorization applicant's own representation 3. USDA Wildlife Services standard operating procedures and regulatory pathway Please provide: Any records showing which regulatory pathway the June 23, 2026, operation proceeded under specifically, whether it proceeded under a standard FWS Migratory Bird Depredation permit, or under one of the no-permit pathways listed above and if the latter, any records showing the basis for that determination. USDA Wildlife Services Standard Operating Procedures, protocol, or national/regional guidance governing urban municipal Canada goose depredation operations, including the criteria used to determine when lethal versus non-lethal methods are authorized. 4. Migratory Bird Treaty Act compliance review Any records documenting USDA's internal review or confirmation of compliance with the Migratory Bird Treaty Act prior to authorizing or conducting the June 23, 2026 operation. Please read the entire request. Not enough space in the description box to put the entire request in FX.	07/23/2026
