2019-APHIS-04665-F	Crescini, Steve	-	6/17/2019	7/16/2019	In February 2019, Doug Nash (OCIO) reported that contractors were experiencing significant delays of getting PIV/LincPass Cards to the HR Director (Beverly Ledford) and I was asked to help resolve the issue. I asked for the names of those contractors and the emails between Doug Nash, Renee Gore, and Judith Dudley and the contractors affected and emails between Doug Nash, Renee Gore, and Judith Dudley and HR so I could determine where the breakdown was in the process (if there even was a breakdown in the process) so we could remedy the significant delays as reported by Doug Nash. Several times between February 2019 and May 2019 I repeatedly ask for the emails and names and each time I received nothing so I am requesting those emails between Doug Nash, Renee Gore and Judith Dudley (all APHIS employees) and the following: *those contractors that experienced significant delays *those in HR they discussed the significant delays with *identification of the significant delays. The words used for search - "significant delays," "PIV," and "contractors." (D (Date Range for Record Search: From 10/1/2018 To 6/1/2019)
