ADDITIONAL DECLARATIONS

This is to certify that rinderpest, foot-and-mouth disease, classical swine fever, swine vesicular disease, African swine fever, and contagious bovine pleuropneumonia do not exist in the United States of America.

This office has on file a notarized affidavit from [company name] verifying the accuracy of the following statements: / Esta oficina cuenta en su expediente con una declaración notariada de [nombre de la compañía] que verifica la exactitud de las siguientes declaraciones:

1. The product or the raw material of animal origin used in the preparation of the animal product originates in the United States or was legally imported from countries classified by the OIE as free of foot-and-mouth disease and classical swine fever. / El producto o la materia prima de origen animal con la que se elaboró el producto es originaria del país indicado en el documento (Estados Unidos de América), o bien, se importó legalmente a los Estados Unidos de América de países clasificados por la OIE como libres de fiebre aftosa y fiebre porcina clásica.

2. The product comes from animals that originated from premises free of Aujeszky's Disease / Pseudorabies (PRV), and these animals and their products did not at any time - on farm, in transit, or at the slaughterhouse - come in contact with animals or products originating from premises not free of PRV. / 3. El producto proviene de animales originarios de establecimientos libres de la enfermedad de Aujeszky / Pseudorabia (PRV), y dichos animales y sus productos no se mezclaron en ningún momento —ni en la granja, ni durante el tránsito, ni en el matadero— con animales o productos procedentes de establecimientos no libres de PRV.

3. The product derives from healthy animals inspected ante and post mortem, was slaughtered and processed in establishments approved by the sanitary authority of the country of origin, and is approved for export to Mexico for industrial uses. / El producto proviene de animales sanos inspeccionados ante y post mortem, sacrificados y procesados en establecimientos autorizados por la autoridad sanitaria del país de origen, y que está destinado solamente para uso industrial para exportar a México.
