Certification Statements:

I, the undersigned USDA Accredited Veterinarian, certify to the following statements:

1. The animals for export were visually examined prior to loading, showed no signs of contagious diseases, and to the best of my knowledge were not exposed to infectious agents of diseases of concern.

2. There have been no occurrences of unexplained mortality events in the premises of origin of the animals for export during the 30 days prior to shipment.

3. There have been no cases of World Organisation for Animal Health (WOAH)-listed aquatic diseases in susceptible species from the population of animals for export during the 30 days prior to shipment, including infectious spleen and kidney necrosis virus (ISKNV) and tilapia lake virus (TiLV).

4. The container/packaging in which the animals for export are transported is either new or has been cleaned and disinfected prior to use.
