**TO:** Biologics Licensees, Permittees, and Applicants  
Directors, Center for Veterinary Biologics  
Veterinary Services Management Team

**FROM:** Byron E. Rippke  
Director

**SUBJECT:** Discontinued Availability of *Erysipelothrix rhusiopathiae* Rabbit  
Polyclonal Antibody (Detection Antibody)

**I. PURPOSE**

The purpose of this document is to notify veterinary biologics manufacturers that *Erysipelothrix rhusiopathiae* Rabbit Polyclonal Antibody (Detection Antibody) will no longer be supplied by the Center for Veterinary Biologics (CVB).

**II. BACKGROUND**

CVB's supply of the current lots of *Erysipelothrix rhusiopathiae* Rabbit Polyclonal Antibody (Detection Antibody) is depleted. Due to limited requests and reduced resources, CVB is discontinuing supply of this reagent. Reagents acceptable to the Animal and Plant Health Inspection Service may be obtained from other vendors.

**III. ACTION**

CVB will provide interested parties with information regarding production methods for this reagent upon request. Contact the reviewer assigned to your firm if interested in obtaining additional information.
