

Ingredients Allowed in Pet Food

The following ruminant and rendered ingredients are acceptable for inclusion in finished pet food products* being exported to the Philippines:

- a. Ruminant materials, including bovine meat and byproducts
- b. Mammalian meat and bone meal (MBM)
- c. Poultry meal, including poultry meat and bone meal (PBM)
- d. Feather meal

*Pet food being imported into the Philippines from the United States must be accompanied by VS 16-4, Animal Products Export Certificate. While the certification requirements for pet food are not known, it is our understanding that the government of the Philippines is NOT asking for any certification statements relative to bovine spongiform encephalopathy (BSE).
