

Fishing Baits (Dried or Deep Frozen) of Aquatic Origin

Slovenia has national legislation that establishes requirements for deep frozen or dried fishing baits. (Fishing baits that are not deep frozen or dried are not allowed).

The product must be labeled as intended for fishing bait. The product must be accompanied by a bilingual certificate (in both English and Slovenian) which identifies:

- Name and address of producer
- Consignor name and address
- Consignee name and address
- Amount of material shipped
- The third country of origin (should be United States)
- Category (Should be “3” for aquatic origin fishing baits)
- Species of origin
- Name and address of plant in Slovenia consignment is going to (may not be the same as the consignee)
- Intended purposes of product (Product is intended for use as fishing bait.)
- Verification that the product either has been “deep frozen” or “dried.”
