

Feathers Intended for Ornamental Use to Trinidad and Tobago

Feathers intended for ornamental use may be exported to Trinidad and Tobago with appropriate certification. The following certification statements should be provided in the Additional Declarations section of the Export Certificate for Animal Products (VS Form 16-4) and continuation page VS form 16-4A as needed. A notarized affidavit from the manufacturer is required to support these statements on the export certificate issued by APHIS Veterinary Services.

This office has on file a notarized affidavit from [company name] verifying the accuracy of the statements below.

U.S. origin product

1. The United States or region of origin meets the conditions of the World Animal Health Organization (OIE) to be considered free of highly pathogenic avian influenza and Newcastle disease as defined by the OIE.
2. The product originates in the United States.
3. The product was heat processed. (Provide processing parameters.)

Imported product

1. The product was imported legally in accord with the regulations of the United States pertaining to highly pathogenic avian influenza and Newcastle disease.
2. The product was not processed in the United States.
