According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control numbers for these information collections are 0579-0020, 0036, 0048, 0101, 0156, 0278, and 0432. The times required to complete these information collections is estimated to average .25 to 1.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

OMB Approved 0579- 0020, 0036, 0048, 0101, 0156, 0278, and 0432

List all countries where animals have resided during the six months previous to export:	

Certification Statements:

- 1. The animals were micro-chipped with a brand accepted by the International Standards Organization (Standard 11784 or Annex A to standard 11785 with the ISO Standard Chip) prior to receiving a rabies vaccination.
- 2. The animals have a valid vaccination against rabies. The date of this vaccination is found in the commodity information table.
- 3. The animals were subjected to a FAVN or RFFIT test for rabies antibodies at least 1 month after administration of the rabies vaccination which showed a post-vaccination rabies virus neutralizing antibody titre of at least $0.5~\mathrm{IU/mL}$.
- 4. The animals were tested negative for Brucella canis. The date of negative test is found in the commodity information table.
- 5. The animals were treated for internal and external parasites prior to export, as noted in the table below.
- 6. The animals were inspected by me within seven (7) days of planned arrival to Trinidad and Tobago, and found to be free of clinical signs of infectious or contagious diseases of concern and parasites.

OTHER INFORMATION:

- Apply to the Trinidad and Tobago Office of the Chief Veterinary Officer at aphmalmr@gmail.com for an import permit at least (1) one month in advance of your planned travel date, and ensure you have an import permit prior to entry.
- Notify the Veterinary Officer, Quarantine, Veterinary Services, telephone (868) 693-2910 and nadcaph2013@gmail.com at least two (2) working days before the scheduled time of arrival.
