Certification Statements:

I, the undersigned USDA accredited veterinarian, acknowledge that the live animals of the above descriptions satisfy the following conditions:

1. The animals originate from breeding establishments or facilities that are registered with the competent authority and are under the supervision of the USDA accredited veterinarian.
2. The animals received preventive doses for internal and external parasites prior to export and were sprayed with pesticides approved by the World Organization for Animal Health within 14-21 days before export.

Date of internal and external parasite treatment: _____
Date of pesticide application: _____
3. Record of the vaccinations which were given to the animals within the six (6) months prior to export, are attached (include the name of disease, vaccine type, and vaccination date).
4. The animals were examined within 48 hours prior to loading and showed no clinical signs of contagious and infectious diseases.
