

Summary of Studies Supporting USDA Product Licensure

Establishment Name	Zoetis Inc.
USDA Vet Biologics Establishment Number	190
Product Code	1231.11
True Name	Bronchitis Vaccine, Mass Type, Live Virus
Tradename(s) / Distributor or Subsidiary (if different from manufacturer)	BRON MASS - Zoetis Ecuador Cia Ltda. BRON MASS - Zoetis Mexico Poulvac BIMM - CASAVET
Date of Compilation Summary	October 14, 2022

Disclaimer: Do not use the following studies to compare one product to another. Slight differences in study design and execution can render the comparisons meaningless.

Study Type	Efficacy
Pertaining to	Infectious bronchitis virus, Massachusetts Type
Study Purpose	To determine efficacy against infectious bronchitis
Product Administration	Drinking Water
Study Animals	Chickens
Challenge Description	
Interval observed after challenge	
Results	Study data were evaluated by USDA-APHIS prior to product licensure and met regulatory standards for acceptance at the time of submission. No data are published because this study was submitted to USDA-APHIS prior to January 1, 2007, and APHIS only required publication of data submitted after that date.
USDA Approval Date	September 28, 1979

Study Type	Efficacy
Pertaining to	Infectious bronchitis virus, Massachusetts Type
Study Purpose	To determine efficacy against infectious bronchitis
Product Administration	Coarse spray
Study Animals	Chickens
Challenge Description	
Interval observed after challenge	
Results	Study data were evaluated by USDA-APHIS prior to product licensure and met regulatory standards for acceptance at the time of submission. No data are published because this study was submitted to USDA-APHIS prior to January 1, 2007, and APHIS only required publication of data submitted after that date.
USDA Approval Date	September 28, 1979

Study Type	Safety
Pertaining to	ALL
Study Purpose	To demonstrate safety under typical field conditions
Product Administration	
Study Animals	
Challenge Description	
Interval observed after challenge	
Results	Study data were evaluated by USDA-APHIS prior to product licensure and met regulatory standards for acceptance at the time of submission. Study data, however, are no longer available.
USDA Approval Date	May 30, 1997
