	<i>Property Grand Total</i>	120,551	

** Acreages are total area within the bounds of property where WS worked. Work areas within those properties are normally smaller than the total acres of the property.*

⁺ Total % expresses what % each Property Type represents of the entire Property Grand Total. These may not total 100% because percentages are only carried three decimal places. Entries such as 0.000% mean that percent of acreage is too small to be represented by three decimal places.
