

# Predator–Livestock Conflict Management Workshop: *Using Non-lethal Methods Effectively*

May 13, 2015

9:30 am – 3:30 pm

Northern Great Lakes Visitor Center, Ashland, WI

Any livestock producer can experience losses from predators...

Learn about:

- Practical uses of many non-lethal methods to prevent or reduce depredation losses
- Animal husbandry methods that can protect livestock
- Wisconsin's depredation compensation programs

This workshop will provide information and demonstrations on the science and practical use of non-lethal methods to protect livestock from predators.

No charge for the workshop. Attendance limited to 100  
Pre-register by calling 715-369-5221(ext. 14).

Co-hosted by:

- Wisconsin Department of Natural Resources
- University of Wisconsin Extension
- UWSP Wisconsin Institute for Wildlife
- USDA APHIS Wildlife Services
