

LIVESTOCK-WILDLIFE CONFLICT PREVENTION WORKSHOP

Photo: Jack McRae

Wed., January 17, 2018
5:30 - 9 pm
Carbon County Fairgrounds
94 Rodeo Rd, Red Lodge, MT

A workshop on the practical use of preventative measures to reduce livestock loss to wildlife for all farmers and ranchers. Information on the importance of non-lethal methods to manage predation before it happens and on the science supporting these methods.

Speakers From:

USDA APHIS Wildlife Services
Defenders of Wildlife

Tom Miner Basin Association
Montana Fish Wildlife and Parks

Sponsored By:

Protecting People | Protecting Agriculture | Protecting Wildlife
