

***Table E. Property Types Worked by Wildlife Services  
in Colorado - FY 2008***

| <i>State</i> | <i>Property Type</i>        | <i># of Acres *</i> | <i>Total % <sup>+</sup></i> |
|--------------|-----------------------------|---------------------|-----------------------------|
| <b>CO</b>    |                             |                     |                             |
|              | BLM LAND                    | 519,945             | 6.365%                      |
|              | COUNTY OR CITY LAND         | 3,129,664           | 38.314%                     |
|              | FOREST SERVICE LAND         | 996,586             | 12.200%                     |
|              | MILITARY LAND               | 26,509              | 0.325%                      |
|              | OTHER FEDERAL LAND          | 26,580              | 0.325%                      |
|              | OTHER PUBLIC LAND           | 1,204               | 0.015%                      |
|              | PRIVATE LAND                | 3,423,268           | 41.909%                     |
|              | STATE LAND                  | 40,122              | 0.491%                      |
|              | TRIBAL LAND                 | 4,541               | 0.056%                      |
|              | <i>Property Grand Total</i> | <b>8,168,419</b>    |                             |

*\* Acreages are total area within the bounds of property where WS worked. Work areas within those properties are normally smaller than the total acres of the property.*

*<sup>+</sup> Total % expresses what % each Property Type represents of the entire Property Grand Total. These may not total 100% because percentages are only carried three decimal places. Entries such as 0.000% mean that percent of acreage is too small to be represented by three decimal places.*
