

**Table F. Wildlife Disease Sampling Conducted by  
Wildlife Services in North Carolina - FY 2014**

| <i>Disease/Condition</i>            | <i>Species Sampled</i>   | <i># of Samples</i> |
|-------------------------------------|--|---------------------|
| <b>Avian Influenza</b>              |  |                     |
|                                     | Blackbirds, Red-Winged   | 7                   |
|                                     | Crows, American  | 2                   |
|                                     | Doves, Mourning  | 4                   |
|                                     | Ducks, Mallards  | 6                   |
|                                     | Geese, Canada  | 33                  |
|                                     | Gulls, Laughing  | 10                  |
|                                     | Gulls, Ring-Billed   | 5                   |
|                                     | Killdeers  | 14                  |
|                                     | Larks, Horned  | 4                   |
|                                     | Meadowlarks, Eastern   | 2                   |
|                                     | Starlings, European  | 8                   |
|                                     | Swallows, Barn   | 2                   |
|                                     | Vultures, Black  | 2                   |
|                                     | <i>Subtotal of # of Samples for Avian Influenza</i>            | <b>99</b>           |
| <b>Classical Swine Fever</b>        |  |                     |
|                                     | Swine, Feral   | 111                 |
|                                     | <i>Subtotal of # of Samples for Classical Swine Fever</i>      | <b>111</b>          |
| <b>Disease (Non-Specific)</b>       |  |                     |
|                                     | Swine, Feral   | 340                 |
|                                     | <i>Subtotal of # of Samples for Disease (Non-Specific)</i>     | <b>340</b>          |
| <b>Disease (Other)</b>              |  |                     |
|                                     | Ducks, Mallards  | 1                   |
|                                     | Swine, Feral   | 12                  |
|                                     | <i>Subtotal of # of Samples for Disease (Other)</i>            | <b>13</b>           |
| <b>Leptospirosis</b>                |  |                     |
|                                     | Swine, Feral   | 2                   |
|                                     | <i>Subtotal of # of Samples for Leptospirosis</i>              | <b>2</b>            |
| <b>Porcine Reprod/Resp Syndrome</b> |  |                     |
|                                     | Swine, Feral   | 24                  |
|                                     | <i>Subtotal of # of Samples for Porcine Reprod/Resp Syndro</i> | <b>24</b>           |
| <b>Pseudorabies</b>                 |  |                     |
|                                     | Swine, Feral   | 111                 |
|                                     | <i>Subtotal of # of Samples for Pseudorabies</i>               | <b>111</b>          |

*Entries of "bird, unidentifiable" or "non-wildlife" usually refer to samples of matter, such as fecal material, found in the environment. "Bird, unidentifiable" is a name assigned to material when WS wants to know it is associated with birds.*

| <i>Disease/Condition</i> | <i>Species Sampled</i>                                    | <i># of Samples</i> |
|--------------------------|---|---------------------|
| <b>Rabies</b>            |   |                     |
|                          | Bobcats   | 2                   |
|                          | Coyotes   | 12                  |
|                          | Foxes, Gray   | 7                   |
|                          | Foxes, Red  | 5                   |
|                          | Raccoons  | 222                 |
|                          | Skunks, Striped   | 34                  |
|                          | <i>Subtotal of # of Samples for Rabies</i>                | <b>282</b>          |
| <b>Swine Brucellosis</b> |   |                     |
|                          | Swine, Feral  | 111                 |
